GIDEON'S 300

Gideon 300 Plus is making a difference.

In the book of Judges, God looked upon Gideon and called him a mighty warrior. God saw the potential in him and challenged him to stand up against an enormous army. Gideon responded to the challenge. With only 300 men, he won a glorious victory.

The Southern Missouri Missions Department is believing for a great victory for our missionaries. We are seeking 300 mighty warriors (individuals or churches) who will make a \$300 contribution.

Will you join the challenge?
